About ProMusica

Our Mission

To deliver a world-class chamber orchestra experience through innovative programming, audience intimacy, exceptional talent, and artistic excellence.

100% of your sponsorship dollars support ProMusica's artistic and outreach activities throughout the season.

With your help, we can:

Enrich Our Community

We are committed to making great music accessible to our community. Free, family-friendly concerts are offered through our outdoor *Summer Music Series* at Franklin Park Conservatory and at the Columbus Metropolitan Library. *Open Rehearsals for Seniors* and our *CODA Post-Concert Conversations* provide learning opportunities that complement the concert experience.

"Everything I had hoped to hear and see in Holland and Germany was in my backyard. It would be extremely difficult to top our Summer Music Series. Three free concerts on three different evenings with free parking. That's hard to beat."

-- Letter to the Editor, *The Columbus Dispatch*

Serve Our Community

We serve hundreds of children, students, and individuals each year through our *Boundless*, *Play Us Forward*, *Side-by-Side*, and *Musicians in the Schools* programs. Support important music education opportunities for the youth in our community, inspiring a lifelong interest in music and the arts.

"The musicians who have visited our schools inspire and motivate our students in their day-to-day practice in orchestra because of interesting, high-quality coaching sessions and excellent teaching."

-- Julie Ellis, Worthington Schools orchestra director

That reputation, coupled with the international pedigree of our artistic leadership, strengthens our renown locally, nationally and internationally, enhancing ProMusica's integral role in serving as an ambassador for the city and marketing Columbus as a cultural destination.
