About ProMusica

Our Mission

To deliver a world-class chamber orchestra experience through innovative programming, audience intimacy, exceptional talent, and artistic excellence.

100% of your sponsorship dollars support ProMusica's artistic and outreach activities throughout the season.

With your help, we can:

Enrich Our Community

We are committed to making great music available to our community. Free, family-friendly concerts are offered through our outdoor *Summer Music Series* at Franklin Park Conservatory and at Columbus Metropolitan Library branches across the city. *Open Rehearsals* and our *CODA Post-Concert Conversations* provide learning opportunities that complement the concert experience.

"Everything I had hoped to hear and see in Holland and Germany was in my backyard. It would be extremely difficult to top the *Summer Music Series*. Three free concerts on three different evenings with free parking. That's hard to beat."

-- Letter to the Editor, *The Columbus Dispatch*

Serve Our Community

We serve hundreds of children, students, and other individuals each year through programs like *Play Us Forward*, *Musicians in the Schools* and our *Open Rehearsals for Seniors*, as well as through partnerships with local organizations such as Columbus Early Learning Centers for our groundbreaking *Infant & Toddler Program*. Support important musical opportunities for the youth in our community, inspiring a lifelong interest in music and the arts.

"The musicians who have visited our schools inspire and motivate our students in their day-to-day practice in orchestra because of interesting, high-quality coaching sessions and excellent teaching."

-- Julie Ellis, Worthington Schools orchestra director

About Samara Joy

Samara is a five-time Grammy Award-winning vocalist including Best New Artist in 2023. Hailed as one of today's most exciting jazz artists, she has captivated audiences with her rich, velvety voice and deep musical maturity beyond her years. Rising to international prominence after winning the 2019 Sarah Vaughan International Jazz Vocal Competition, Samara brings a fresh, contemporary spirit to the classic jazz tradition, redefining the genre for a new generation. She debuted with the BBC Proms earlier this summer, and her performance with ProMusica kicks off her new orchestral tour.

Celebrate Great Music

With a national reputation for its artistic quality and commitment to new music, ProMusica is gaining recognition as one of the top chamber orchestras in the country. That reputation, coupled with the international pedigree of our artistic leadership, strengthens our renown locally, nationally and beyond, enhancing ProMusica's integral role in serving as an ambassador for the city and marketing Columbus as a cultural destination.

"I have had the good fortune to go to a couple of ProMusica concerts recently. They are really bringing world class talent to Columbus and also cultivating excellent art and talent here."

-- ProMusica concert attendee
